

Bible 01 — Vision Bible

Version: 0.1 (Foundational Draft)

Purpose

This document defines the vision and design principles for the MMORPG project.

Note:

This draft is intended as a planning document. If the project remains inspired by an existing franchise, any commercial release should use original worldbuilding or an appropriate license.

1. Vision Statement

Create a cross-platform anime-inspired MMORPG that emphasizes exploration, progression, relationships, crafting, commerce, and cooperative play.

Platforms:

- Android
- iOS
